To keep victims of disasters to a minimum... How about starting from what you can do now?

Without your support, SEEDS Asia's activities cannot continue. Your donation will be used for general administration cost, in order to conduct activities on disaster risk reduction or environmental management in Asia Pacific region. Donations can be

made via postal transfer or following fundraising services (CANPAN, Tsunagaru Bokin) to SEEDS Asia. For further details, please [contact us](#).

[▼Associate Member](#)

We look forward to welcome you as an associate member if you support our programs/projects. No special requirements or qualifications to be an associate member.

- 1) Individual (Annual Fee: 3,000 yen)
- 2) Group/Company (Annual Fee: 30,000 yen)

[▼Regular Member](#)

As a Regular Member, you can join our activities and in the administration of SEEDS Asia. We have a General Meeting every year, where members can participate and contribute to SEEDS Asia's development.

[▼Events](#)

SEEDS Asia sets a booth at events related to international cooperation, environment, and disaster risk reduction in Japan and overseas. Information of such events is posted here. Participating in those events would be a good opportunity to ask questions directly to SEEDS Asia staff members. We are looking forward to meeting you at future events. [Check our past events](#)

[▼Internship](#)

SEEDS Asia offers internship opportunities for the youth who are interested in international cooperation, improvement of environmental issues, or disaster risk reduction education, and willing to assist our activities. At the moment, there is no opening, and information will be posted here once such opportunities are available.

[▼Volunteer with us](#)

Volunteer activities are not paid but essential part of our support activities. We are seeking volunteers who can translate activity reports from Japanese to English or English to Japanese; or who can help us at events. Please register as a volunteer if you are interested in SEEDS Asia's activities, environmental issues, natural disasters, or disaster risk reduction education. We will contact you when we need your help on translation or at events.
